1. A "\*\*\*\*\*" following a place name indicates that the place is coextensive with a MCD. A "-----" indicates that the place is also a false MCD. In both cases, the MCD name is shown in the legend and differs from the place name.

2. A "....." following a VTD code indicates an actual voting district. Its absence indicates that the VTD pseudo voting district or no information is available to its status.

3. A "-----" following a block code indicates that the block number is repeated elsewhere in the block.
